A truly global podcast:

- Featuring **80+ experts** from **around the world**
- Covering global issues across **seven continents** with deep-dives into **40+ countries**
- Listeners and subscribers from **100 countries**
- Sent to **185,000** subscribers, policymakers, academics, civil society leaders and journalists
- Partner since **2019** of BRINK, the global risk platform managed by Atlantic57 of *The Atlantic*
- Hosted by renowned political analyst [Peter Schechter](#) and award-winning journalist [Muni Jensen](#)

Covering top international trends:

Populism. Cybersecurity. Illegal mining. Protests. Elections. Immigration. Climate change. Global issues impact all of us, regardless of our personal politics. **For over three years**, listeners have come to rely on Altamar for a **truly global perspective** across a range of foreign policy issues from around the world. Altamar expands **beyond the Washington view**, widening the aperture to show how the rest of the globe sees things. Our mission is to **rise above the polarization** and search for a comprehensive understanding of **crucial issues worldwide**.

Our guests are **thought leaders & authors, activists & academics, politicians & diplomats, space explorers & CEOs, economists & scientists**. From well-known commentators like **Moisés Naim, Richard Haass, Ian Bremmer** and **Amy Harder** to in-country experts like:

- Turkish author **Ece Temelkuran** about the [threat of authoritarianism](#)
- Icelandic presidential candidate **Thóra Arnórsdóttir** about [how the island-nation has thrived](#)
- Global Chairman of the Fairfax Africa Fund **Zemedeneh Negatu** about [rising Africa](#)
- **Dr. Clifford Stott** of England's Keele Policing Academic Collaboration on how to [re-think policing](#)
- Switzerland's Basel Institute President **Mark Pieth** about the [illegal gold trade](#)

“Co-hosting Altamar is like sitting in on exclusive conversations about the most interesting developments around the world.”

—Muni Jensen

“Each episode is a window for objective, sharp insight from global experts on top of geopolitical conversations.”

—Peter Schechter

What our listeners are saying:

- *“The multicultural discussions and point of views fuel high intellectual debates and ideas that are very relevant to the changes of the world today. Peter and Muni have great chemistry and the guests are phenomenal! Highly recommend.”*
- *“Level-headed, compelling analysis by two experts and their guests about the world around us.”*
- *“Very enjoyable and thoughtful discussion on trending foreign policy topics, with an eye towards focusing on how these issues impact our daily lives. Recommended.”*
